

LIVING SPRINGS CHURCH
MASTER'S COMMISSION
a generational call to character

STUDENT HANDBOOK

THE MASTER'S COMMISSION

1. Introduction

It is the conviction of the ministry and members of Living Springs Church that there is only One Master who calls us to His Commission. The Master is Jesus, the Son of God, our Lord and Savior. His Commission commands us to “go and make disciples of all nations, baptizing them in the name of the Father, the Son, and the Holy Spirit, and teaching them to obey everything I have commanded you.” (Matthew 28:19)

Students who have chosen to enter the Master's Commission are choosing to dedicate one year of their lives to God in a special way. It is our fervent prayer that they will take their place in the body of Christ to join in the work of the Great Commission. May it be said of them that they are “... vessels of honor, sanctified, useful to the Master, prepared for every good work.” (2 Tim 2:21) This is truly the Master's Commission!

5. Outreach & Serving

1. Outreach Vision Statement:

We believe that all followers of Christ have a responsibility to reach out and represent Him in their communities. Christ Himself commanded, "Love your neighbor as yourself." Recognizing that God did not save us just for our own sakes, we determine to lay down our lives for the sake of the lost. There is a need for us to break out and be enlisted in service to the community with the goals of reproducing the seed God has planted in us, penetrating our culture, and proclaiming the Lord's favor.

Above all, we seek to do the will of our Father God in reaching out to those in need. We will carry His heart for the lost as we fulfill the Great Commission and bring the Kingdom of God to the culture.

2. Serving in the Church

There will be many opportunities to serve in a variety of different ministries that exist in our church. Here are some of the following ministries that we have at LSC.

6. **Expectations**

These expectations are purposefully designed to draw the students into the center of God's presence and to enhance their relationships with others by teaching them to show preference to one another.

1. The students are to initiate the bi-weekly meeting with his/her mentor and come to each of these meetings with all their forms filled out.
2. The students are asked to be flexible in their availability for work or ministry assignments as needs arise. Flexibility is a key. Jesus' ministry was characterized by inconveniences. Some of the greatest miracles occurred as a result of interruptions. Being flexible opens the door to divine opportunities.
3. It is important that students discuss ministry commitments with their mentors. We want to work with the students to monitor involvement levels to be sure they are healthy.
4. Students are expected to be at least 5 minutes early for all events.
5. If there is a legitimate reason a student is unable to attend an event, please contact the person in charge of the event they were to serve in.
6. Students are asked to be committed to the Master's Commission's yearly schedule. Leave can be granted for special occasions but students and their families are asked to work around the school's schedule. The staff feels the responsibility to provide maximum opportunities for corporate growth and experience. If a student misses these growth opportunities, they find themselves lacking significant events that are part of their development.
7. To help maintain good health, students are encouraged to fit regular exercise into their weekly schedule.
8. It is the student's responsibility to complete and hand in assignments and requirements on time.
9. There is no gambling, drug, alcohol or tobacco use permitted at any time.
10. This is a time to saturate your life with the Lord. Therefore, we ask that the students only listen to music that glorifies the Lord and promotes worship.
11. We strongly encourage each student to be involved with Street Ministry at least 2 times per year. Please be in contact with Raquel Bresch from our Regina location to organize your dates.

7. **Outfits Guideline**

The Master's Commission students are ministers representing Jesus Christ. Outfits should be modest and reflect Him. Outfits reflects the condition of the heart. The students are asked to dress in a way that reflects honor to the Lord and each other.

8. **Relationship Guidelines**

These guidelines are to protect and strengthen your relationship with the Lord and to protect your integrity as a disciple. With these guidelines, it will be easier to maintain a more unified group of disciples. They are not intended to break up or keep you from godly relationships. Our goal this year is to secure and maintain an undistracted devotion to Christ.

Therefore:

1. The affection shown to any one member of the opposite gender in the Master's Commission program (or anyone outside of the program) is expected to be the same as that shown to everyone else in the group.
2. We ask there be no riding alone in a vehicle with someone of the opposite sex.
